MOOD: 😊 calm

MUSIC: Social Distortion - Ring of Fire

"Fear really sucks. Because what it means is you're not focusing on what you're doing. You're focusing on the consequences of failing at what you are doing." (<https://www.livejournal.com/away?to=http%3A//www.allclimbing.com/archive/2009/11/climbing-video-the-9-rules-of-rock-climbing-from-ted/>)

This looks like a good idea.

...

This.

...

Little guy's not bad.

Gotta teach RHex to smear.
